## Why ReStore

As 2016 comes to a close, and we look on to 2017, can't help but be incredibly thankful. 2016 was a great year for ReStore. With the help of your donations and purchases of new and used building materials, furniture, and appliances, we were able to raise enough money to finish Build 26 (in St. George) and have announced the location of Build 27 and our [Rock the Block Manhattan](#) initiative.

[Build #27](#) will be built on the historic Yuma Street. Manhattan Area Habitat for Humanity, in partnership with [Heritage Builders](#), intends to revitalize this neighborhood through our Rock The Block Manhattan 2017 initiative. This neighborhood "spruce up" will assist homeowners with needed home repairs, maintenance, weatherization, safety, accessibility and beautification.

## Internships and Volunteer Opportunities

### Spring 2017 Internships

We are currently seeking interns for the 2017 spring and summer semesters to help at ReStore and in the office! This opportunity allows for a chance to give back to the Manhattan area and interact with community members in a different capacity.

Send your resume to [restore@mahfh.org](mailto:restore@mahfh.org)

### Volunteer Opportunities

Seeking to put God's love into action, [Habitat for Humanity's mission](#) is to bring people together to build homes, communities and hope. By living out this mission at ReStore, we hope to spread some hope and kindness to all who walk through our door!

This holiday season, join us in this mission by [volunteering at ReStore!](#) Volunteers at [ReStore](#) serve the community with kindness through customer service, cleaning and organizing, small building projects, and sometimes by simply opening the door.
