**Habitat Repair Team
- Frontier Farm
Credit**

Many thanks to the good folks at **Frontier Farm Credit** for spending the day with Habitat for Humanity! Homeowner Tom (second from left) was extremely

grateful for all the hard work clearing his yard and roof of branches and fallen leaves. Tom is a Vietnam Veteran and lives in Ogden with his wife, Connie.

Habitat Repair Team - St. Thomas More

We are quite proud of the difference a little bit of paint and hard working *St. Thomas More* volunteers made for Ernie and his family. The exterior of this house has never looked so good! Ernie is retired, local to Manhattan and spends his time tackling many

other home improvement projects on his home.

Thank You for Giving!

Giving Tuesday has come and gone, but while the amount raised for MAHFH is not yet tabulated we still want to THANK YOU for supporting Manhattan Habitat for Humanity in every way, every year!

Young Trustees - Manhattan Chili Cook-Off

Many Thanks to all of you that supported the Young Trustees first ever Chili Cook-Off. Thanks to your kind donations, the Young Trustees were able to write a check for \$100 to MAHFH. Wonderful!
