***Greater Manhattan Community Foundation's
Grow Green Match Day
Friday, April 21, 7am - 7pm
Colony Square Atrium, 555 Poyntz Ave, Manhattan***

GROW GREEN Match Day on Friday, April 21, 2017 holds incredible opportunity for nonprofit agencies with endowed funds at the Greater Manhattan Community Foundation. On that day, GMCF will provide a 50% match on donations made to participating endowment funds.

Here's how it works:

- Donors come to the event and make a donation, or make an online donation at a remote location, to one or several of the participating organizations.

(Online gifts can be made between 12:00 a.m. - 11:59 p.m. on April 21)

- Individual contributions ranging from \$25 to \$1,000 per organization will receive a local match at \$.50 per \$1, so a \$1,000 gift can receive a \$500 local match. If a donor gives a \$5,000 gift split evenly between five organizations, each group is eligible to receive a \$500 match.

Since 1995, Manhattan Area Habitat for Humanity has changed the lives of low income families in Riley and Pottawatomie Counties. Our homes offer more than just a roof and walls - they offer hope that children will grow up safely, hope that parents and children can pursue additional education, and hope for a brighter future. We hope you'll support us as we continue this critical work.
