Why ReStore

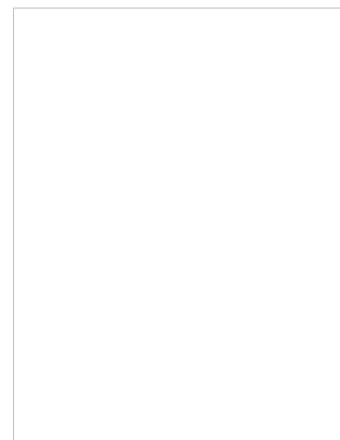

Habitat for Humanity ReStore is a non profit home improvement store and donation center, that sells appliances, building materials, gently used furniture, and home accessories for a fraction of retail prices. By donating to ReStore, we keep desirable and sought out items out of landfills, while building proceeds that strengthen communities around the world. Families partner with Habitat to build better lives and homes for themselves. Shop, donate, and volunteer at ReStore to help us support our community.

Internships and Volunteer Opportunities

Spring 2017 Internships

We are currently seeking interns for the 2017 spring and summer semesters to help at ReStore and in the office! This opportunity allows for a chance to give back to the Manhattan area and interact with community members in a different capacity.

Send your resume to restore@mahfh.org

Seeking to put God's love into action, [Habitat for Humanity's mission](#) is to bring people together to build homes, communities and hope. By living out this mission at ReStore, we hope to spread some hope and kindness to all who walk through our door!

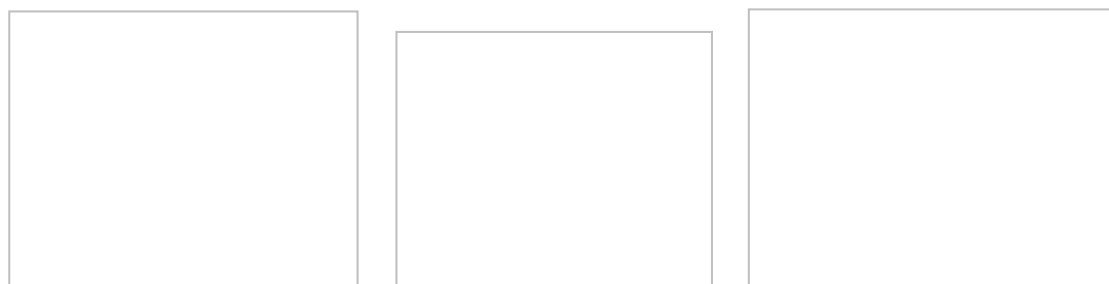

Sign up today to volunteer with Habitat for Humanity. We have multiple upcoming events such as Rock the Block, Women's Build, and many continuous opportunities at ReStore.

ReStore Events

Huge Thanks!

We love our volunteers! Each week, we meet so many new faces who help us work toward our vision:
a world where everyone has a decent place to live.
