

June 2017 Monthly News & Updates

We have a new look! Check out our Manhattan Area Habitat for Humanity website, and watch as we improve function and form over the next few weeks. Your comments are needed as we tailor our website and communications (newsletters, social media, etc) to better connect YOU with our affordable housing cause!

Email suggestions to Melody Sexton - office@mahfh.org - she is waiting to hear from you!

Farewell to Roxann Janes

We have been dreading this moment for a while now, but it is time to say "Goodbye" to our Executive Director, Roxann Janes. She and her husband, Eric, and daughter Oakley will soon be heading to new adventures in San Diego, California. We cannot imagine a more dedicated advocate and champion for affordable housing, or a more multi-talented person to lead our organization. There is NOTHING that Roxann cannot do! From our partners in Construction, ReStore, Staff, Board of Directors, Habitat Homeowners and Volunteers we join in prayer for a safe journey westward and a bright future ahead. We'll miss you Roxann!

Tree Planting Ceremony

This beautiful Butterfly Magnolia tree was donated by the Kansas Forestry Service, Great Plains Society of American Foresters and selected by the Wilhoite family. Please join us as we plant this tree and come just one step closer to the completion of Habitat Home #27. We look forward to seeing our MAHFH friends and families!

Taking your family to a movie or out to dinner is one way to spend time together. However, if you're looking for an activity that allows your family to connect and offers a rewarding experience, consider volunteering together. Whether you clean up a highway or visit a nursing home, volunteering as a family is a great summer activity.
