

## October 2017 Monthly News & Updates

Visit Our Website

### World Habitat Day - October 2

On Monday, Oct. 2, 2017, Habitat for Humanity joins with our partners around the world to rededicate ourselves to recognizing the basic right of everyone to adequate shelter. Habitat for Humanity International asks all U.S. affiliates, national organizations, partners and supporters to join together as one global network in communicating the message that every one of us deserves the opportunity for a better future, and that a decent place to live can remove barriers to opportunity, health and success that might have been part of a family's life for years, and in many cases for generations.

### Habitat Homeowner Orientation October 9

7pm, Manhattan Public Library

Our partner families are not given a home, but an opportunity to build confidence, self-worth, and responsibility through home ownership. In order to

Lazy T Ranch  
Adventures

## Wanted: Chocolate, Tea & Wine Committee Members!

Do you want to have fun while supporting Habitat! Join the team that gets the job done! Chocolate, Tea & Wine is MAHFH's Signature Annual Fundraiser. Planning meetings begin in January, but some committee work has already gotten underway.

Contact Carol Bredesen at [cbredesen@cox.net](mailto:cbredesen@cox.net) to get started today!

## Howies Recycling Service's "Cans for Habitat" Program Raises \$\$\$ For Our Affiliate

Cans for Habitat is a sponsored by The Aluminum Association's Cans for Causes program and promotes the value of aluminum can recycling. Through Cans for Habitat, aluminum cans are recycled to raise money for Habitat for Humanity to build decent, affordable housing, with low-income families nationwide.

Cans for Habitat raises money, increases awareness of Habitat within the community, builds lists of donors, and gives children a way to become involved with Habitat, all while helping the environment. As an individual, just choose aluminum cans at your local grocery store or beverage vendor. Then collect recycled cans from your community and bring the cans to Howies Recycling Center at 625 S. 10th Street in Manhattan place your cans in the bin marked "HABITAT". The money earned can then be used to build homes for families in need in Riley and Pottawatomie counties!
