## Join the movement & give back

### November 29th, 2016

Turkey day is almost here (and so is #GivingTuesday)!

Since 1995, Manhattan Area Habitat for Humanity has changed the lives of low income families in Riley and Pottawatomie Counties. Our homes offer more than just a roof and walls - they offer hope that children will grow up safely, hope that parents and children can pursue additional education, and hope for a brighter future. This #GivingTuesday (November 29), we hope you'll support us as we continue this critical work.

Manhattan Area Habitat for Humanity, in partnership with Heritage Builders, returns to Manhattan for the first time in almost a decade to build House #27. We will also "Rock the Block" in Manhattan to assist low-income residents with essential home repair, maintenance, weatherization, accessibility and safety of homes.

We believe that everyone deserves a decent place to live. We can't accomplish this without your support.
